## **TIME, IT'S TOO PRECIOUS TO WASTE**

To realise the value of **ONE YEAR**, ask a student who failed an exam.

To realise the value of **ONE MONTH**, ask a mother who gave birth to a premature baby.

To realise the value of **ONE WEEK**, ask the editor of a weekly newspaper.

To realise the value of **ONE HOUR**, ask the loving couple that is waiting to meet.

To realise the value of **ONE MINUTE**, ask a person who missed the train.

To realise the value of **ONE SECOND**, ask a person who just avoided an accident.

To realise the value of **ONE HUNDREDTH OF A SECOND**, ask the athlete who just won a silver medal in the Olympics.

Treasure every moment that you have! And treasure it more because you shared it with someone special, special enough to spend your time with.

And remember that time waits for no one. Yesterday is history. Tomorrow is mystery. Today is a gift. That's why it's called the present!
